

ASX RELEASE

25 May 2023

SECOS appoints Natalya Jurcheshin as Non-Executive Director

Sustainable and eco-friendly bioplastics developer SECOS Group Limited (ASX: SES, “SECOS” or “the Company”) is pleased to announce the appointment of experienced company director and senior leader Natalya Jurcheshin to its Board as a Non-Executive Director.

Ms Jurcheshin brings over twenty years’ experience spanning finance, operations and strategy throughout Australia, North America, Ukraine and Russia in professional services, private and public companies, start-ups, and SMEs. Ms. Jurcheshin is a Non-Executive Director of Adacel Technologies Limited (ASX: ADA) where she is the Chair of the Audit & Risk Management Committee and Remuneration Committee. She is a former CFO, Head of Operations and Company Secretary of Circadian Technologies Limited (renamed Opthea Limited) (ASX: OPT) and is a qualified chartered accountant.

Ms Jurcheshin has leadership experience in finance and accounting, risk management, strategy, operations, audit and assurance services and board roles. Her diverse commercial experience includes other senior roles with Antisense Therapeutics Limited (ASX: ANP) Melbourne Symphony Orchestra, Arthur Andersen (now part of Ernst & Young) and NEISS Group Pty Ltd.

SECOS Chairman Jim Walsh welcomed Ms Jurcheshin to the Board.

“We are very pleased to appoint a candidate with Natalya’s experience to our Board – she has extensive experience as an executive and director in governance as well as in developing and executing strategy in both private and publicly listed organisations across a range of industries.”

About SECOS Group Limited

SECOS Group Limited (ASX: SES) is a leading developer and manufacturer of sustainable packaging materials. SECOS supplies its proprietary biodegradable and compostable resins, packaging products and high-quality cast films to a blue-chip global customer base. SECOS Group is integrated from resin production into film (cast and blown) production and can develop bespoke compostable solutions for a range of applications.

SECOS holds a strong patent portfolio and the global trend toward sustainable packaging is fueling the Company's growth.

The Company's headquarters and Global Application Development Centre are based in Melbourne, Australia. SECOS has a Product Development Centre and manufacturing plant for resins and finished products in China and a resins plant in Malaysia. The Company also produces high quality cast films in Malaysia.

SECOS has sales offices in Australia, Malaysia, China, and USA, with a network of leading distributors across North Americas, Mexico and Latin Americas, Europe, Asia, the Middle East, Africa, and India.

Disclaimer and Explanatory Notes Forward Looking Statements

This document may include forward-looking statements. Forward looking statements include, but are not necessarily limited to, statements concerning SECOS' planned operational program and other statements that are not historic facts. When used in this document, the words such as "could", "plan", "budget", "estimate", "expect", "intend", "may", "potential", "should" and similar expressions are forward looking statements. Although SECOS believes its expectations reflected in these are reasonable, such statements involve risks and uncertainties, including but not limited to risks and uncertainties relating to impacts that may arise from Covid-19, and no assurance can be given that actual results will be consistent with these forward-looking statements. SECOS confirms that it is not aware of any new information or data that materially affects the information included in this announcement and that all material assumptions and technical parameters underpinning this announcement continue to apply and have not materially changed.
